Under Rule 6(ii) of the Madras Compassionate Gratuities Rules, 1932, Compassionate Gratuity shall not ordinarily be granted, where the application for the grant is submitted more than one year after the death of the Government servant, unless there are special reasons for condoning the delay. In this case, the late Male Nursing orderly died in February 1950, and the present application has been submitted on 8-5-51 (i.e.) one year and 3 months after the death of the Government servant. Hence the family of the deceased Government servant is not ordinarily eligible for any grant. But the D.M.S. has reported that the application purported to have been sent by the widow in March 1950 was not received in his office. He has however recommended that the delay may be condoned and compassionate Gratuity of Rs.150/- may be granted as a special case.

The maximum amount that may be given in this case is Rs.(25 plus 19) X 12 = Rs.528/-.
